

School information

Nottingham Nursery and Mellers Primary school – working together!

Nottingham Nursery and Mellers have agreed to federate and are in the process of establishing a federated governing body, with representatives from both schools. Please follow the link to the survey to agree to the 4 governors remaining.

Or scan the QR code on your phone, on your camera. A notification/link will appear, click this link and it will take you to the web browser.

Dear Parents,

Nottingham Festival of Science and Curiosity.

Nottingham festival of science and curiosity present... The Curiosity Show! This is a series of 5 live broadcasts spotlighting science and curiosity across Nottinghamshire with live demonstrations, activities and interviews. This will be on NOTTSTV at 4-5pm from Monday 7th February – Friday 11th February 2022. For more information please visit; www.nottsfosac.co.uk

Evidence Me!

The way in which we communicate with parents about their child's day at nursery is through a system called Evidence Me. This is where we can send photos to you, and you can send us photos back.

If you're not already accessing Evidence Me or you're struggling with this, there will be a chance on Friday 11th March to come into nursery and chat with a member of staff who can show you how to set this up.

Key dates

04.02.2022 – Chinese New Year celebration

11.02.2022 – Inset day for all children, followed by February half term.

21.02.2022 – First day back for children.
