Dear Parents,

Hello Sunshine!

As the weather turns warmer, please remember to bring sun hats and apply sun cream before your child's session.

The water play is up and running outdoors and although we do supply waterproofs and wellies, children still somehow manage to get wet! Please remember a spare set of clothes in your child's bag in case they need changing.

Woodwork

We've also opened woodwork this term, slightly later than normal in the school year. Your child will be able to create a piece of art to take home. We use real hammers, wood, nails and more. Please be careful with these structures at home. Adult supervision is required at all times.
