

Dear Parents,

### **Parking in and around Nottingham Nursery.**

Please remember to drive slowly when approaching the nursery. We have had a number of complaints and concerns raised about cars speeding around the corners. When parking, please be considerate to local residents needing to be able to access their drives and pedestrians having the space and visibility to cross the roads safely. Also, the staff car park is for paying employees and nursery delivery's only. Thank you for helping with this.

### **Meet Jackie – Our Receptionist**

Most of you should have already met our new temporary receptionist Jackie. Jackie is covering the reception area whilst Jen is on maternity leave. Please remember to take your time whilst signing your child in, as Jackie is still learning the new faces and names for all our children. She is doing a fantastic job already, and is happy to help!

### **Easter holidays in Nottingham City – ASKLiON**

ASKLiON is an online service directory designed to help you to find information, activities and support in Nottingham City. Here is a link that will take you directly to the website and will list activities available in your local area over the Easter Holidays and more.

### **Thank you!**

Thank you for everyone who attended the EvidenceMe meetings, I hope you're enjoying the app and have managed to send some photos to your child's teacher. When you send in a photo of your child it doesn't alert us on our iPad, so if we've missed something please let your child's teacher know so they can check on the computer.
