

## School information

Good morning,

We are a local social enterprise who provide free and accredited training for parents and carers, **no catches**. To add to this, we see daily as a social enterprise the impact the rising costs are having so anyone enrolling on a course up until the 31<sup>st</sup> May will receive a £50 supermarket voucher.

We have a range of courses and programmes which are delivered through flexible part time learning and we support people into work, also these courses are accessible to those on low income, again free and accredited.

Don't take our word for the work we do, please have a look at our website and recent article below.

## Grounds Maintenance

We are looking for a local handy person or company who can help with our outdoor environment. This would be half termly to cut back trees / shrubs, clear pathways and some ground clearance. The ability to clear / take the rubbish would be a bonus! If it is you or you can recommend someone, please contact Laura or Lynette.
